SCHOOL CANCELLATION/DELAY

In the event of a school cancellation during the Exams, the schedule will be pushed forward so that, when school resumes, students will take the exams originally scheduled for the day that school was cancelled. In the event of a delayed opening, we will begin with the second exam scheduled for that day. The first exam will be rescheduled for the first day after the scheduled exams have ended.

SENIOR FINAL EXAMS

Senior Final Exams are given one week before the Underclass Final Exams during the regularly scheduled Block classes. A separate Senior Final Exam schedule will be published two weeks prior to the exams.
